Meeting called to order at 6:10 PM and the minutes were approved.

Minutes from the last meeting were approved.

Presentation of the Alternative Vision to Milestone representatives.

Sara hoped that we would be able to have a compromise to create a true “legacy” vision.

Milestone said they appreciated the effort that was put into the alternative plan and would like specifics. We were reminded that we must rely on the commitments binder to understand the layering effect of entitlements.

It was recommended that the Alternative Vision be sent out on neighborhood yahoogroups.

Meeting adjourned at 6:56
